

Info 3.

Dear team leaders and coaches.

**Some info about the tournament.**

- **The draw** is attached and during the tournament, you can follow it live on the following link:

- We have sent you already the time schedule and we would like to ask please control your sportsmen and let them be prepared in time near the tatami where they will compete. We will run the competition on 10 tatamis and is very important that we will not lose time waiting for competitors.

- After each category finishes please ask the medalist to go straight to the podium for the medal awarding ceremony. There will be prepared seats where they should wait a maximum of 5 minutes until the diplomas will be written and the diplomas, medals, and cups will be presented to the winners.

- The weight tolerance in all WKF categories is 1 kg maximum. In children's categories as written in the bulletin.

We wish you all an unforgettable competition and we are looking forward to meeting you all soon in Budapest.
