# African Karate Federations Union President

Dear UFAK family,

I address you my warmest greetings.

Welcome to Casablanca in Morocco for the Cadet, Junior and Senior Championship, which has a special character.

This is an opportunity for me to invite all the Karate actors officials, athletes, administrators, media and volunteers, to adopt an Olympic behavior, beyond the sports results, we must remember that true victory is the over oneself victory.

We must demonstrate to the world that the African karate has reached maturity and is able to conquer the Olympic podiums.

On behalf the great African karate family, I would like to express my gratitude and appreciation to the WKF President Antonio ESPINOS for his dedication and full commitment to promote our discipline throughout Africa. Allow me to thank my friend and brother Mohamed Moktabil the FRMK President and the Moroccan sports authorities who didn't skimp on any means to raise high our sport in Africa.

I wish you good luck and very pleasant stay .

Mohamed

Taher Mesbahi

# Moroccan Karate Federation & D. A President

**Mohamed  
Mouktabil**

Dear Friends,

It is a great honor for me and all the members of the Moroccan Karate Federation & DA to invite all the competitors from the African countries to participate in **the 22nd Senior – 14th Junior & 6th Cadet African Championship**, which will take place on the economic capital of Morocco "**Casablanca**", on **14 – 20 August 2023**.

It's my pleasure to welcome all of you again to feel the Moroccan hospitality and enjoying you're staying in Casablanca, wishing all the best for all the participants.

Welcome Africa...

Yours sincerely.

Respectfully,

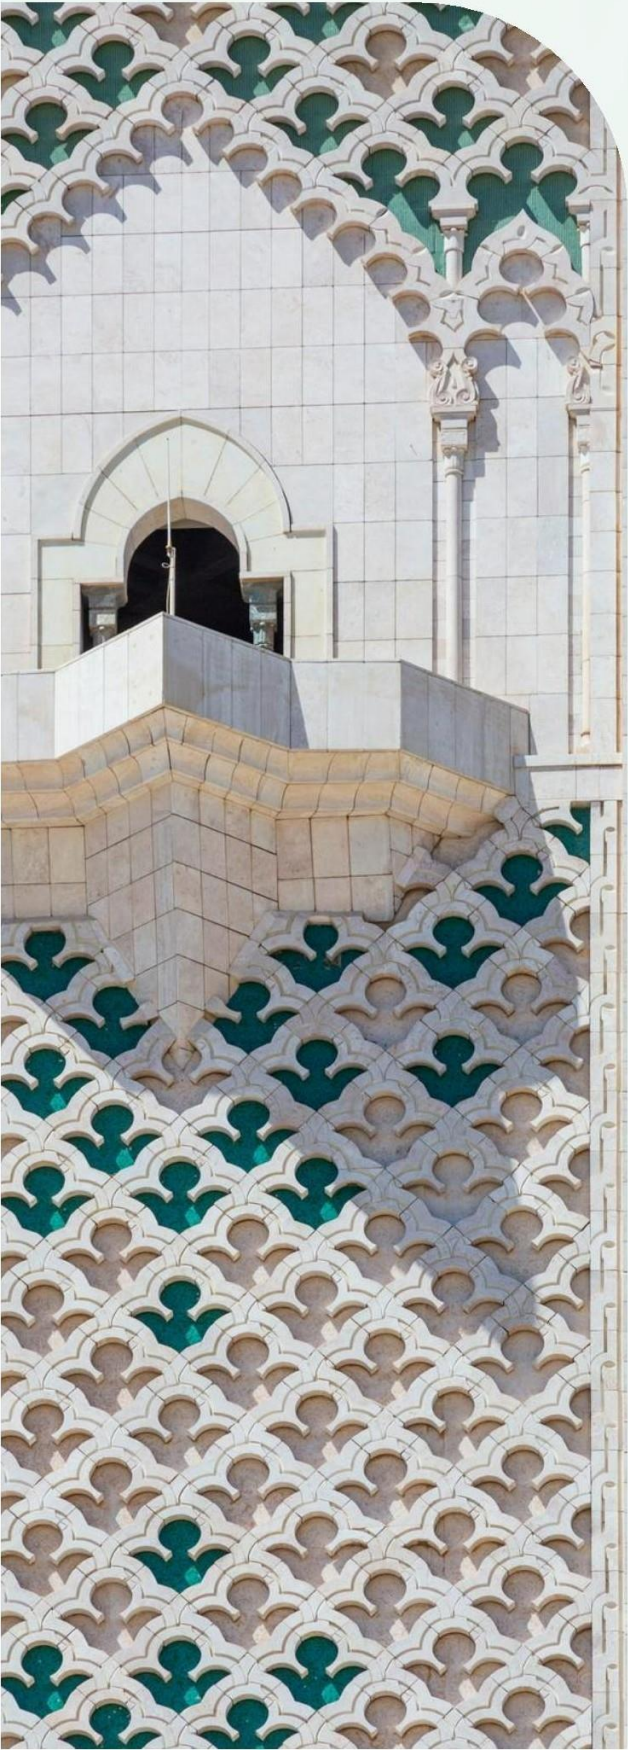

# Casablanca, the white city

**African Championship - 14 to 20 August 2023**

# The bustling Casablanca

Beautiful palm trees lining its paths, with the Atlantic ocean over the horizon, and large business buildings in every corner : **Casablanca is the economic lung of Morocco** ; a bustling metropolis.

**Modern infrastructures** are in the middle of charming districts, between Arab-Muslim heritage and legacies of the colonial period. Discover all the possibilities : take a stroll in the medina, which is one of latest medinas built in Morocco, roam through the centre and its art-deco buildings, and join the Hassan II mosque ; the splendid of architecture built on the water.

Let yourself be tempted by the **festive side** of the city. Take advantage of the cornice, its clubs and festivals too.

The coastline, bordered by beaches equipped to suit all your comfort, invites you to experience the most **fun activities** that will make your stay more enjoyable, from diving, to jet-skiing to boating.

**The White city, Casablanca, is where culture and serenity activities blend seamlessly.**

## CASABLANCA TRANSPORTATION

Getting around in a new city can be confusing. Here are the best methods of transportation in Casablanca.

- As Morocco's largest and most cosmopolitan city, Casablanca has a wider range of public transportation choices. Getting around is relatively easy, with the most popular options being the **Casa Tramway and private taxis** known as petit taxis.
- The **Moroccan train system is a great way to see the country and get from place to place.** It's also one of the **most affordable modes of transportation** in Morocco. **The Al Atlas train, which runs from Casablanca to Marrakech,** is a good option for travelers wanting something more. You can be more comfortable by choosing to travel **first class or use our TGV service which called Al-Boraq.**
- There are **two types of taxis in Morocco.** **Small taxis** are small cars, and they are not allowed to go outside of the town limits. They have a special sign on the roof which usually looks like a small box, and they are red. The other type is a Great taxi. These are **larger cars**, and they can go anywhere you need to go. You can negotiate a price for the trip before you leave, or you can use the meter.

## **MERCHANDISING**

During the three days of the competition, an exhibition of Moroccan traditional industry shops are available in the entrance of the stadium, and you can find restaurant and Cafeteria selling tea, coffee, cakes, sandwiches ...
