

Lion Cup 2023 - Luxembourg

Pool 2	
-----------	--

A cartoon illustration of a lion with a large, fluffy brown mane and a friendly expression. He is wearing a white karate gi with a black belt. He is in a dynamic pose, with his right hand raised in a fist and his left hand on his hip.

The diagram shows a hierarchical tree structure. The root node is a red rectangle. It has two children: a red rectangle on the left and a blue rectangle on the right. The red child has two children: a red rectangle on the left and a blue rectangle on the right. The blue child has two children: a blue rectangle on the left and a red rectangle on the right. This pattern continues, with red nodes having two children (one red, one blue) and blue nodes having two children (one blue, one red). The tree structure is shown in a stepped, diagonal arrangement, with the root at the top left and the final nodes at the bottom right. The final node is a gray rectangle.
