

Dear team leaders and coaches!

- Thank you very much for participating in the 25th Budapest Open tournament. We got this year a record-high number of registrations and we still have about 100 names on our waiting list, That's why we would like to remind you of our previous letter where we asked you to carefully review the team rosters one more time and remove any competitor from the entry list who will not be competing. If you do not remove them from the list by 8 September and they still do not appear at the event, you will have to pay a fee of 15 Euros for each such competitor on the spot. The aim of this measure is to ensure that as many of those on the waiting list as possible are able to compete because we know that for all of them Budapest Open is a qualifying event for upcoming WKF - EKF events. We really hope you understand this situation and you will help them.

- For the same above-mentioned reason, we are forced to cancel the team events, to save time for individual fights.

- One week before the tournament starts we will send the time schedule, and about three days before also the draws.

We hope you will enjoy our tournament and you will spend unforgettable days in Budapest.

See you all soon.

Best regards
