Karate One Youth League - Guadalajara 2026

2026-09-17

Pool 1	
-----------	--

Phylogenetic tree of the 16S rDNA sequences of the studied strains. The tree shows a hierarchical relationship between various bacterial strains, with the final three labeled as PTS CODOCEDO M. (CHI), CODOCEDO M. (CHI), and OCHOA GUERRERO C. (MEX). The tree is rooted on the left and branches out to the right. The branches are color-coded: red for the first two main groups and blue for the last group. The labels are placed at the end of the branches, with the country code in parentheses. The scale bar at the bottom right indicates a distance of 2.
