1. Welcome

Welcome to the **6th International Karate Düsseldorf Cup 2024 in Düsseldorf!**

Our karate club, which is a member of the German Karate Association, is hosting a new karate tournament in this lovely city. In recent years, we have hosted three successful tournaments.

In 2023, approximately **400 athletes** from **57 clubs** in three countries competed. From small children to top athletes, everyone took part and had the opportunity to test their skills. They were able to prepare for upcoming national and international competitions as a result.

Referees at the Regional, Federal, European, and Global levels enthusiastically evaluated those exciting jousts.

Because of the enthusiasm of all participants, club members, and referees, we have decided to invite you to our tournament in 2024.
