2023

Initial Greetings

WGKF-President

Dear Goju friends from all over the Asia,
It is with great expectation and enthusiasm for our coming 7th AGKF Karate Championship that I write these words.

For those of you who have never visited Nepal I can assure you that it will be an unforgettable experience, since our Asian friends usually offers us quite impressive events.

I invite you all to come to Kathmandu this 15-17 June 2023, and bring more and more neighbor countries, and to deepen this unique project, in a championship that join

All the lines of our style, its making this true absolute championship in Goju-Ryu. At a time of great challenges to our art world-wide, it is increasingly our duty and Obligation to intransigently defend Master Miyagi's legacy. The art does not exist without its styles, denying it is betraying the legacy of generations and making the art one aseptic entity whose standards we do not know.

I think no other Federation is completely open to others as ours and that gives us legitimacy and a role no one can denied.

The art born in Okinawa has nothing to do with politics but, unhappily, it is increasingly being pushed into these swamps. It is our task to prevent Goju-ryu of being dragged into these murky waters.

I have absolute confidence on you, my Goju friends all over the Asia and world to help us surpassing this troubled waters and to make our beloved Goju-ryu great, which is just what we want, leaving politics and murky waters to others interested on the issue.

I hope to see you soon and strong in Kathmandu Nepal, for an unforgettable experience and superb AGKF Championship.

Yours in Goju

Mr. HUMBERTO NUNO DE OLIVEIRA
President of the
WORLD GOJU-RYU KARATE FEDERATION
