# PREAMBLE

**On behalf of the Federação Budo Tradicional de Portugal (FBTP), I hereby say that it is with great satisfaction that I have accomplished, in the 2022 world congress in Slovenia, to bring to Portugal the European Championship in Traditional Karate.**

**The Portuguese application was successful, given its history from 2001 in the European was hosted in an exemplar way in Vila do Conde.**

**Having been raised in Vila do Conde (Vilacondense) I am extremely happy to have the chance to bring well known figures in karate to my homeland.**

**The development of this Federation has increased in the last years and can aim at higher goals such as hosting this championship.**

**If it comes to terms it will be an added bonus to Vila do Conde and the national karate athletes as well as to all the national selections that will attend it.**

**We are highly motivated for this task ahead of us, although strenuous, that will bring many benefits to all involved.**

**Fernando Silva**

**(President of FBTP)**
