A diagram illustrating a process flow. It consists of three horizontal bars. The top bar is red, the middle bar is blue, and the bottom bar is grey. A vertical line connects the right end of the red bar to the right end of the blue bar. The blue bar is positioned between the red bar and the grey bar.

The diagram illustrates a process flow or data transformation. It features three horizontal bars: a red bar at the top, a blue bar below it, and a grey bar to the right. The red and blue bars have a white segment on their right ends. A vertical line with a horizontal tick mark connects the end of the blue bar to the start of the grey bar, indicating a transition or a specific point in the process.
