Dears WAKO IF Friends,

For the first time of WAKO Panam History we have the authorization to make an Open Official Tournament for the WAKO IF, where the points obtained will be valid for the World Ranking, which will surely open up opportunities and many hopes for our athletes.

The 1st edition of Panamerican Cup is an old dream for the Panam that came true and not only that, as of 2024 we'll be able to carry out up 3 editions which will boost even more of the regions of the continent with the opportunity to give hierarchy to this important tournament. We're walking the roads of WAKO Europe and faithfully following the WAKO IF guidelines in order to demand the quality our members and athletes deserves.

As it is an open event we will have the opportunity to register an unlimited number of athletes per category and modality, as it is official, it will count with points for the World Ranking, in addition to the tourist and organizational attractions. Surely we will have the participation of visiting countries and this exchange will help the technical improvement and administrative area of the members.

The CBKB it's prepared to carry out the event in WAKO Panam and WAKO IF standards, and it choose Foz de Iguazú because it is located in the triple border area (Brazil, Argentina and Paraguay) this is one of the most visited tourist destinations annually.
