WELCOME MESSAGE BY KARATE SOUTH AFRICA PRESIDENT

As President of Karate South Africa (KSA), it gives me immense pleasure to welcome the Karate fraternity of the African continent to the prestigious annual UFAK Karate Championships 2022 in the City of Durban, South Africa.

At the outset, may I express my heartfelt thanks to the leadership of UFAK for affording Karate South Africa an opportunity to host the continents premier karate championships. It is noteworthy that the said event, which is being hosted in the Kingdom, will provide huge interest not only with regards to the karate action that will no doubt be prevalent

throughout the event but it will also showcase the City of Durban as a leading tourist destination in South Africa.

As a matter of interest, I remain optimistic that the championship will be as always 'action packed', moreover it will bring out the best in our fighters from Africa as they do battle with the 'best of the best' for the continental crown. It is noteworthy that UFAK, our African Continental Federation has enjoyed unreserved support from WKF, President Antonio Espinos in particular, with this time being no different.

It is my firm belief that karate is an excellent catalyst for nation building and therefore I am confident that this will manifest itself during the championships amongst all the countries that are going to be present to share and care.

I trust that the true spirit of Karate-do permeates during these championships, so that sound sportsmanship will be exhibited throughout the event.

I urge our visitors to take in the sights and sounds of this beautiful eThekweni / Durban region, which is part of the Kwa Zulu Natal Province (State) that has so much to offer.

It must be borne in mind that Championships of this nature is where old friendships are renewed and new ones formed. I am certain that this will be the case with the championships on hand.

Thank you for your attendance, support and patronage. Oss!

P. Sonny Pillay
President – Karate South Africa
