

Dear team leaders,

thank you very much for registering for the Budapest Open 2024. We would like to inform you that there are hundreds of competitors on the waiting list waiting to be registered. So that we can solve this situation we would like to ask you to delete those competitors you know already that will not participate in the tournament. You can do it free of charge until the 1st of September. After this date, you have to pay for deleting 20 Euro. If you delete the athletes on the spot, we will charge you the whole starting fee.

Thank you very much for understanding.

See you soon in Budapest.

Best regards

Gerd Rebicek
Organizing Committee
