

IMPORTANT NOTICE

Dear participants of the 21st Karate Croatia Open,

Given the reputation and size of the tournament, we hereby inform you about the change of tournament location. The city of Rijeka decided to deny us the use of the Zamet sport hall, even though we already booked it at the beginning of the year. This information was given to us just a few days ago, and such a decision shocked our entire organizational team. Given the proximity of the tournament date, as well as the already completed technical preparation for the competition in the sport hall Zamet, we are forced to adapt to the circumstances around us.

As an alternative to the Zamet sport hall, we were granted the use of the sport hall Dvorana Mladosti in Trsat. Dvorana Mladosti was already host to many large tournaments in our organization, such as European Karate Championship in 2004 as well as the Mediterranean Championship in 2003. We are familiar with all the advantages and disadvantages of this space.

Dvorana Mladosti, Sporthall Adress: Trg Viktora Bubnja 1, 51000 Rijeka

Learned from last year's experience of changing the sport hall, as well as guided by the motto "when life gives you lemons, make lemonade", we direct all our focus towards the next weekend and to prepare the competition at the new location. Our organizational team will use all available forces and resources to ensure that the tournament is held at the highest level of the karate competition.

With respect,
Tournament director

MIROLJUB BERAK
