

INFORMATION BULLETIN : HAYASHI NINJA CUP

WELCOME

The Hayashi Ninja Cup is a competition open to all levels. It is a Kata and Kumite competition where WKF rules will be applied by Belgian national referees. We are delighted to welcome you to the Ninja Cup. Your passion, determination, and sportsmanship enrich this event. We wish you all a memorable and successful experience.

The Kata and Kumite competition will be divided into several groups of 3, 4, or 5 athletes who will all compete together according to the American "Pool-Robin" draw system. Each athlete will receive a medal, while the first place will be awarded a cup. Athletes will be ranked based on the number of matches won, and in the case of a tie, the number of points scored will be considered.

Participants will be divided according to their level, age category, and weight. The level categories include the following:

- **Beginners** : who have not participated in competitions or have participated in interclubs,
- **Intermediates** : who have already won a national podium,
- **Advanced** : who have won an international podium.

Coaches must ensure that their athletes are registered in the correct age and weight category and clearly specify their level (beginner, intermediate, or advanced).

The competition will be conducted according to WKF rules and will be officiated by at least five official referees for each tatami. Registrations and the draw will be done via sportdata.org.

We look forward to your participation and hope to see many of you there.

EVENT LOCATION

Hall Omnisports de Rotheux

11, Rue Biens Lefèvre

4121 Neupré
