

ATTENTION

Modify Rounds Kata

ROUNDS (based on BELTS):

COLORED BELTS Up to 6 athletes in a single Round

from 7 to 10 athletes go to the final the first 4

11 athletes and more, go to the final the first 8

BLACK BELTS Up to 6 athletes go to the final the first 4

from 9 to 14 athletes go to the final the first 6

15 athletes and more, go to the final the first 8

Up to the green belt you can always repeat the same kata.

White through green belts can perform Shitei kata only

Blue and brown belts can perform kata Shitei or kata Sentei.

Black belts can perform kata Sentei or kata Tokui.

The 1st and 2nd round scores are added together. In the event of a tie, the lower excluded scores are taken into account. In the event of a further tie, the higher excluded scores are taken into account. In the event of further tie, competitors will be asked to perform another Kata. If the tie is between two competitors, decisions will be taken using flags; if the tie is between more than competitors, the decisions will be using scores.
