## 15 Team Competition

- Participating categories (in agreement with the OSC § 1.3.5)  
A team in the mixed competition contains the individual categories:
  - Duo team: Men, Women or Mixed (one team)
  - Fighting Men -69kg, -85kg and +85kg  
Women -52kg, -63kg and +63kg
  - Jiu-Jitsu Men -69kg, -85kg and +85kg  
Women -52kg, -63kg and +63kg
- Each JJNO can “adopt” up to two athletes (a duo couple will count as one athlete) from different JJNOs. All members of the team will get physical medals, but the medal count in the medal tally will be given to the main JJNO
- Seven (7) categories will compete in each match. The seven categories will be chosen in the following way:
  - Matching categories: Categories which both teams can cover are automatically set. Each team can choose an equal number to drop if those are more than seven and an equal amount. In case of an unequal amount, the remaining category will be determined by random draw will.
  - Choice of teams: The remaining categories will be chosen a category fitting for them with an equal number of selections per team
  - Random draw: If there is still a category open, a random draw will select the missing category.
- The jiu-jitsu athletes that have their regular weigh-in after the team competition need to weigh in before the first day of the team competition. They will get a 10% tolerance on their weight for the team competition. If an athlete has competed in the fighting system before, they do not need to weigh in to compete in Jiu-Jitsu for a team. In any case, athletes will always need to weigh in for their regular (individual) competitions, regardless of whether they are in a team.

## 16 Para Ju-Jitsu

The open mat on November 7<sup>th</sup> will be used to set up the categories and classifications for the event. All athletes and coaches should be present so that we can create good brackets with suitable fights and matching athletes.

## 17 Masters

Following the principles of the International Master Games Association [IMGA], the registration for the Master events is individual.

The registration must be completed, and we will not have a check-in and correction possibility on site.

The Organizer reserves the right to merge categories and age divisions to have sufficient competition.

<b>Masters 1</b>	Between 35 and 39 years old
<b>Masters 2</b>	Between 40 and 44 years old
<b>Masters 3</b>	Between 45 and 49 years old
