Open World Taekwon-Do Championship Argentina 2022
Help tutorial for competitor registration in Sportdata System

Registration closes on: 07/10/2022

We suggest registering previous: 04/10/2022

If you don't have an account yet, please register online:

https://www.sportdata.org/multicombat/set-online/registerate_registrator_main.php?active_menu=registration#center_outer_middle

Registration process in the Sportdata system

- Select the option Club/Team/Federation/Organism.
- Enter a Username.
- Enter a Password and then write it again to confirm.

The screenshot shows the 'Individual/Team/Club Login Registration' page on the Sportdata website. The page has a dark blue header with navigation links: HOME, EVENTS, LIVE STREAM, NEWS, HELP, CONTACT, TICKETS. On the right, there are buttons for 'ALL EVENTS', 'ENGLISH', and 'LOGIN'. Below the header, the page title is 'SPORTDATA / MULTICOMBAT / REGISTRATION / CLUB'. A message states: 'You want to add entries but do not yet have an account? Get the chance to register online now! With your account registered you can register athletes easily.' Below this, it says 'Fields marked with * have to be filled out.' The form has four sections: 'Account Type*' with radio buttons for 'Club/Team/Federation/Organization' (selected), 'Individual Competitor', 'Individual Coach', 'Individual Referee', and 'Individual Official'; 'Username*' with a text input field; 'Password*' with a text input field; and 'Password Confirm*' with a text input field. Red arrows point to the selected radio button, the Username field, the Password field, and the Password Confirm field.

Open World Taekwon-Do Championship Argentina 2022
Help tutorial for competitor registration in Sportdata System

- Enter a name as “title”.
- Enter your name/s.

• How to access and control your information

This Privacy Policy covers the information we collect about you when you use our products or services, or otherwise interact with event organizers (for example, by attending events), unless a different policy is displayed. We offer a wide range of products, including our cloud, server and event registration and management products. We refer to all of these products, together with our other services and websites as “Services” in this policy.

This policy also explains your choices about how we use information about you. Your choices include how you can object to certain uses of information about you and how you can access and update certain information about you. If you do not agree with this policy, do not access or use our Services or interact with any other aspect of our business.

Where we provide the Services under contract with an organization/event organizer that organization controls the information processed by the Services. For more information, please see Notice to End Users below.
